NOTICES

REQUIRED STATEMENT OF ACCREDITATION STATUS
Once a program has been accredited, and for as long as it remains accredited, the program MUST use the statement provided in §8.20 on all educational and promotional materials, including the institution/program web site, where the program’s accreditation status is disclosed:

[INSERT Name of Program] at [INSERT Name of Institution] is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, Virginia 22314; telephone: 703-706-3245; email: accreditation@apta.org; website: http://www.capteonline.org.

NOTE: If the institution offers other physical therapy programs not subject to accreditation by CAPTE (e.g., transitional DPT, post-professional degree program, residency or fellowship), the above statement must be edited to clearly indicate that the additional programs are not accredited by CAPTE. Additionally, the information available to the public regarding these programs must clearly state that they are not accredited by CAPTE.

ACCURATE PUBLIC DISCLOSURE OF THIS DECISION BY THE INSTITUTION
The institution and program must make accurate public disclosure of the accreditation or preaccreditation status awarded to the program. Further, the United States Department of Education (USDE) requires all recognized accrediting agencies to provide for the public correction of incorrect or misleading information an institution or program releases about accreditation or preaccreditation status, contents of reports of on-site reviews, and accreditation or preaccreditation actions with respect to the institution or program. [34 CFR 602.23(d) and 602.23(e)] If the institution or program chooses to disclose any additional information, beyond the accreditation or preaccreditation status that is within the scope of the USDE rule, such disclosure also must be accurate. Any public disclosure of information within the scope of the rule must include the agency’s street address, email address and phone number: Commission on Accreditation in Physical Therapy Education, 1111 North Fairfax Street, Alexandria, Virginia 22314; accreditation@apta.org; (703) 684-2782 or (703) 706-3245. If the Department of Accreditation finds that an institution or program has released incorrect or misleading information within the scope of the USDE rule, then, acting on behalf of CAPTE the Department will make public correction, and reserves the right to disclose this Summary of Action in its entirety for that purpose.

PUBLIC NOTICE OF DECISIONS BY CAPTE
Following all decisions, including decisions to place a program on warning, probation or show cause, or to deny candidacy, withhold accreditation, or withdraw accreditation, the Department of Accreditation will, within 24 hours of notifying the programs and institutions of the decisions, provide notice to the public by placing notice of the decisions on its web site.

PUBLIC NOTICE OF REASONS FOR DECISIONS
Pursuant to expectations of the Council for Higher Education Accreditation, CAPTE provides public notice of the reasons for its decisions to grant candidacy, or grant or reaffirm accreditation. These notices are in addition to the notices of reasons for probation and for final adverse actions as required by the US Department of Education. The front page of this Summary of Action will be used for this purpose.
RESPONSIBILITY TO REPORT CHANGE(S)
The institution and program are responsible for notifying CAPTE of all reportable changes in the program prior to implementation. Unexpected changes are to be reported immediately after they occur. Reportable changes, some of which may require pre-approval, are described in Part 9 of CAPTE’s Rules of Practice and Procedure (http://www.capteonline.org/AccreditationHandbook/). It is the program’s responsibility to be familiar with these expectations and to provide notification of program changes as required.
Commission’s Findings:

The Commission on Accreditation in Physical Therapy Education judged the program to be in compliance with the intent of all the Evaluative Criteria for Accreditation of Education Programs for the Preparation of Physical Therapists. The Commission appreciates the thorough and professional manner in which these obligations have been addressed.
